

# How to use the Online Election Platform

## Guide

### Guest Users

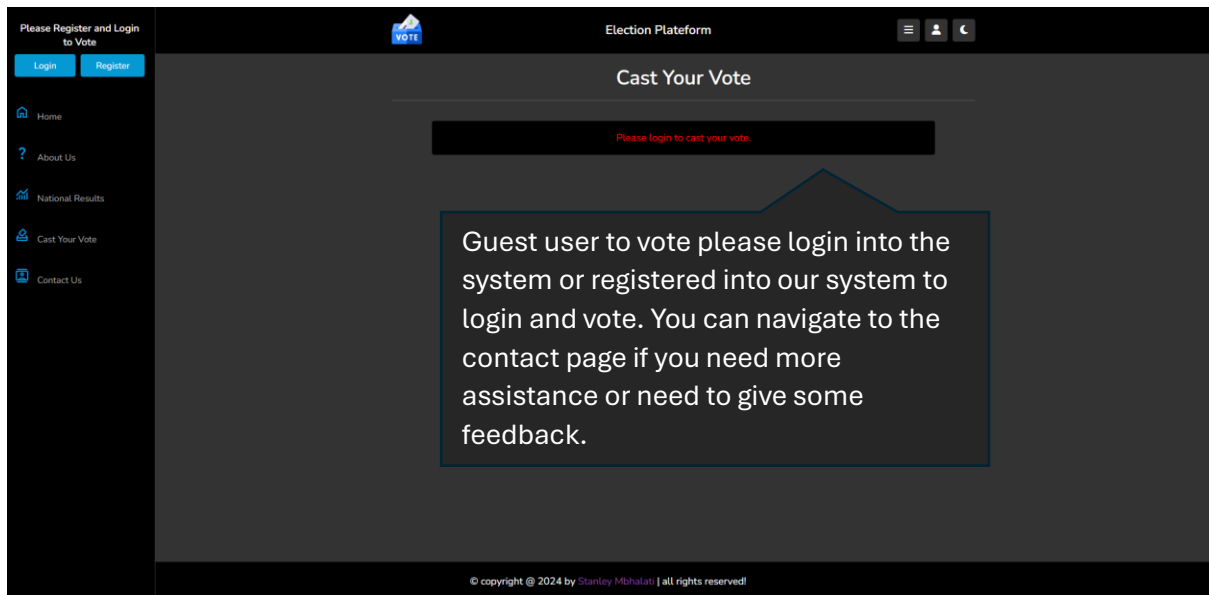

Guest Users can view real-time stats such as the total number of votes that have been casted, total number of registered users and the total number of election parties on the home page.

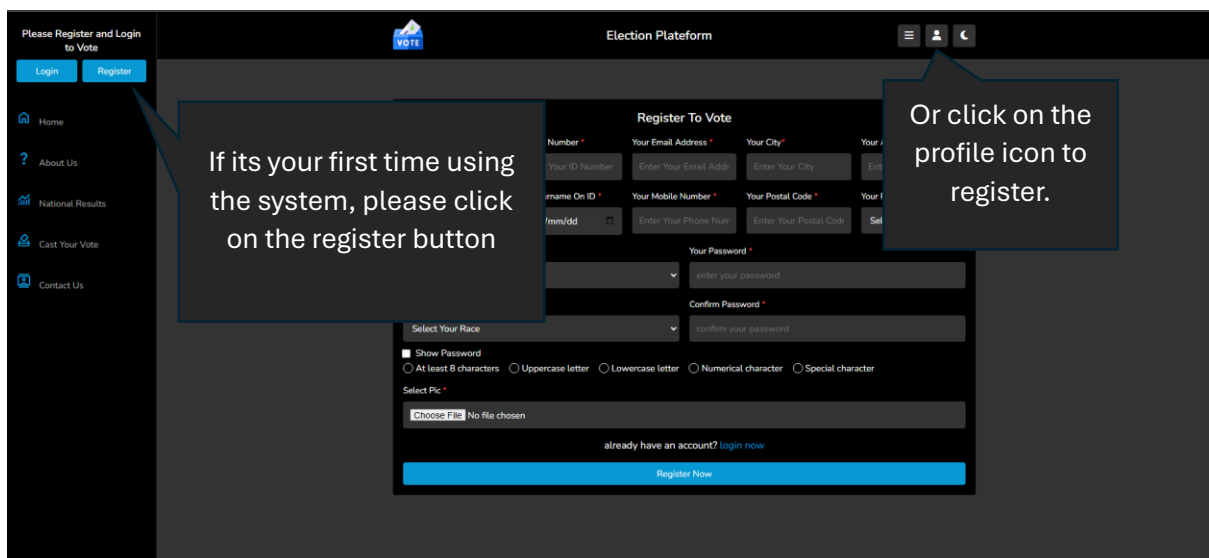

Guest User can browse to other pages like the about page to get more information and guide through the system. Guest user can see National Results in real-time as votes are casted.

The first icon button removes the sidebar or brings back the sidebar. The second icon is the profile icons shows the user to login or register. The last icon toggles between light and dark mode.

# How to Cast Your Vote

 Election Platform   

Cast Your Vote

Voting Ballot National and Provincial Republic of South Africa

Voter Province: Gauteng

Voter Status: Not-Voted

Voter ID Number: 0203210205084

No	Party Leader	Party Name	Party Acronym	National Vote	Manifesto	Cast Vote
1		African National Congress	ANC	<input type="checkbox"/>	<a href="#">Manifesto</a>	<a href="#">Vote</a>
2		Democratic Alliance	DA	<input checked="" type="checkbox"/>	<a href="#">Manifesto</a>	<a href="#">Vote</a>

Please make sure that you take the falling instructions. When logged navigate to the side bar click on the cast your vote tab. If you have voted before then this ballot table will not appear instead the page will notify you that you have casted you vote.
